EXPERIENCE

Web Master

IEEE RAS SBC DSU Jun 2024 - Present

Collaborated and developed a website for the IEEE RAS Society at Dayananda Sagar University, which helped students learn what this society is about and see what events have been conducted.

Stage Management

Center of Performing Arts (CPA @ DSU) Mar 2024 - Present

Active member of the DSU's Cultural Club. Managing the flow of the events & college fests conducted by CPA; like Cascades 2024, Talent Hunt, and Episodes of Cultura conducted at the DSU Harohalli campus. Gained Management skills.

Volunteer

ConnectFor Jun 2022 - Jun 2022

Participated in 2 social service activities; Christmas celebration with NGO kids and tree plantation. Improved my socializing skills as there were people of different age groups and different backgrounds.

CAMPUS AMBASADOR

INTERNATIONAL MODEL UNITED NATIONS (IMUN) Jul 2021 - Aug 2021

Promoted IMUN conferences through online social media platforms. Got posters from my team's mentor daily, which I posted on all the social media I am active on (like Instagram, WhatsApp, etc.). Interested ones reached out to me for more information. Helped me improve my communication skills.

PROJECTS

DearMinder

Frontend developer and notification Mar 2025 - May 2025

Developed DearMinder, a full-stack notification system integrating email (Google AppScript) and SMS (TextBelt) capabilities through a Flask backend. Built a responsive frontend using React, TypeScript, and Tailwind CSS with Shadcn-UI components. Implemented RESTful APIs with CORS support and secure API management, utilizing Vite for build optimization and comprehensive error handling.

E-mail Spam Detector

AI Developer(Python) Apr 2025 - May 2025

Developed a tool that detects spam emails using the AI concepts of Linear Regression & Natural Language Processing (NLP).

Website for RAS Society @ DSU

Web Master Jul 2024 - Sep 2024

- Created a website that includes details about the society, its events (Previous & Ongoing), and its members of the society, and if anyone wants to join the society, there is a 'Join Us' section too.

Employee Management System

Creator Oct 2022 - Nov 2022

- Developed a Python program that takes details of employees from the user which gets saved to MySQL database and shows it to the user when asked.

Bouncing Ball Animation

Animation Developer Nov 2020 - Dec 2020

- Created a bouncing ball animation using Java for my class 10th board project.

POSITIONS OF RESPONSIBILITIES

Class Representative

Dayananda Sagar University (2024 - Present)

- Acted as the primary communication bridge between students and faculty, ensuring smooth dissemination of academic and administrative information.
- Represented class interests and concerns in meetings with faculty and department heads.
- Coordinated academic schedules, exam preparation updates, and assignment deadlines with the student body.
- Facilitated student feedback collection and presented insights to improve curriculum delivery and class engagement.

Deputy Education Minister

Ryan International School (2019 - 20)

- Collaborated with the Education Minister and teachers to enhance academic engagement and improve student performance.
- Assisted in organizing academic events, competitions, and workshops to promote a culture of learning and curiosity.
- Worked with other student council members to align educational goals with extracurricular activities and holistic development.

Stage Coordinator

Dayananda Sagar University (2024 -2025)

- Managed on-stage proceedings during college events, ensuring smooth transitions between performances and minimal delays.
- Coordinated with performers, emcees, and technical/backstage teams to execute event flow seamlessly.
- Took auditions for the junior batch.
- Created and maintained detailed stage schedules, cue sheets, and performer line-ups for events and rehearsals.
- Conducted pre-event briefings and managed real-time problem-solving during live events.
- Contributed to the successful execution of major cultural festivals and club-hosted competitions, enhancing audience experience and participation.
