Basics in Java	◆◆◆◆◆	Event management	◆◆◆◆◆

EXPERIENCE

**CAMPUS AMBASADOR**  
**INTERNATIONAL MODEL UNITED NATIONS (IMUN)** *Jul 2021 - Aug 2021*  
I got posters from my team's mentor daily, which I posted on all the social media I am active on (like Instagram, WhatsApp, etc.). For people who were interested and reached me for more information, I explained to them about the IMUN conferences.  
I improved my communication skills while I worked.

**Volunteer**  
**ConnectFor** *Jun 2022 - Jun 2022*  
I have participated in 3 social service activities for this organization; Christmas celebration with NGO kids, tree plantation, and road cleaning.  
My socializing skills got better as there people of different age groups and different backgrounds.

**Stage Management**  
**Center of Performing Arts (CPA @ DSU)** *Mar 2024 - Present*  
I am part of the DSU Cultural Club. I helped manage the flow of the events conducted by CPA; like Talent Hunt and Cultura conducted at the DSU Harohalli campus.

**Committee Member**  
**Event Community** *Apr 2024 - Present*  
I am a member of my Hostel committee where we organize various events (celebration of festivals and fun activites) for students, to make them feel home.

**Web Master**  
**IEEE RAS SBC DSU** *Jun 2024 - Present*  
I made a website for the IEEE RAS Society at Dayananda Sagar University, with another member of the society

PROJECTS

**Bouncing Ball Animation**  
**Animation Developer** *Nov 2020 - Dec 2020*  
I created a bouncing ball animation using Java for class 10th board project.

## Employee Management System

**Creator** *Oct 2022 - Nov 2022*

I wrote a Python program to take details of employees from the user which gets saved to MySQL database and show it when asked.

## Website for RAS Society @ DSU

**Web Master** *Jul 2024 - Sep 2024*

The website includes details about the society, events (Previous & Ongoing), and its members of the society, and if anyone wants to join the society, there is a 'Join Us' section too.

## AWARDS

### Sports Event - Football

**Ryan International School, Pune** *2020-01-17*

My team won the 1st prize.

### Campus Ambassador

**International Model United Nations** *2021-08-06*

Promoted IMUN on different social media platforms, and received a certificate on successfully doing my task.
